

Terry Patrick Haynes Park BC

Sadly Terry passed away on Monday 28th April.

Terry was bowler at Haynes Park but will be remembered by most of us as a selector for Group 4.

This office he held with great commitment and enthusiasm. He was involved with selecting Group 4's teams for the Inter Group knock out, Wally Ball and Ashford Cup.

Terry's great passion was helping to select the Ashford Cup and his traditional approach helped form the Groups squad over many years.

His input to the selection of bowlers to represent Group 4 will be sorely missed.

On the Groups behalf I have spoken to his widow, Eve, and expressed our sympathy and condolences and wished her and the family the best for the Future.

Terry Patrick RIP
